STUDENT # _____

**LIABILITY RELEASE FORM FOR THE
PAL PROGRAM AT LAS VEGAS HIGH**

(Form #1)

As part of the Partnership at Las Vegas (PAL) Program, students report to internship sites on Wednesdays in lieu of classroom instruction. Students are not paid for these internship experiences; instead, they receive academic credit. Sometimes students report for interviews or other events related to the PAL Program. On other occasions students may be off campus for community service or PAL related events.

As part of this “real world” experiential education, our students often supply their own transportation for these non-classroom activities. On these occasions, our PAL students will be driving, carpooling, or, in some other manner, providing their own transportation.

The parent and student signature and date below absolves the Clark County School District, Las Vegas High School, the PAL Program, the PAL teachers and director, and the internship sponsors from any and all legal liability associated with the student's transportation to and from the internship sites and all other sites associated with the experiential education provided by the PAL Program.

Further, the parent and student signature below absolves the internship sponsors from any and all legal liability arising from or associated with the internship and other events associated with the experiential education provided by the PAL Program.

I have read and understand the requirements for the PAL Program at Las Vegas High School for the 2009-2010 school year, I hereby give my son/daughter permission to participate.
